TABLE CAPTAIN INFORMATION

Thank you for your interest in becoming a Table Captain! Your personal invitation is the key to filling your table. Please extend your invitation to those who might be interested in joining you at your table for this November 2 event. Fall is a busy season so reaching out to your guests as early as possible will help you to fill your table. It usually takes some follow up to remind people about the event.

Tickets to the Densho Dinner are \$125 each. Please note all tickets to the Densho Dinner are will call. Your guests will be registered once the ticket purchase has been made.

There are two ways to fill your table:

1. Purchase 10 tickets online or send a check to Densho, and send us your guest names as you receive confirmation.
2. Ask your guests to go to the Densho Dinner page (www.densho.org/DenshoDinner) to purchase tickets. They will be asked to enter your name as the Table Captain. Densho will monitor the ticket sales and email you periodic updates on your guest list.

October 18th is the deadline for Densho to receive the names of all of your guests. We would like to ask you to try to fill a table of 10, but you will not have to pay for unsold seats. Smaller groups might be combined, or available seats might be filled with individual ticket holders.

When you invite your guests, let them know their ticket purchase will help support Densho's work!

Consider mentioning that Densho has been working for twenty-three years to preserve the stories of World War II incarceration. They have recorded nearly 1,000 oral history interviews, digitized over 80,000 photos and documents, have curated hundreds of articles in an encyclopedia of Japanese American history.

Let them know that Densho uses the history of WWII incarceration as a platform for speaking out against contemporary injustices. In recent years, they have partnered with the Muslim community, marched in and co-organized protests, and spoken everywhere from universities to rallies.
